PROCEDURES:

Reminders will be sent via email before each meeting and event during the school year. If there are any changes to this schedule, you will be notified via your home email which you provide when joining MJHS. Feel free to contact Dr. Chickie-Wolfe if you have any questions or need clarification of anything related to the Munster Junior Historical Society (meeting dates, times, events, etc.).

ALWAYS reply as soon as possible back to Dr. Chickie at: www.drchickie-wolfe@munsterhistory.org whenever you are contacted about an event (meeting, service project, field trip, etc.) to let her know if you will be attending **and** also if you will not be attending. Either way, you **must** let her know your status (coming or not coming) just as soon as you receive an email notification about an upcoming event. This is vital to planning and organizational decisions.

Mrs. Darlene Storino is Dr. Chickie-Wolfe's parent helper again this year. At times, you may be contacted by her as well. She can be reached at 922-6963.

ELIGIBILITY:

Munster students (in both public and private schools) are eligible to join the Munster Junior Historical Society when they are in grades five through eight. Students must complete a Membership Application and pay dues for each year they participate. In grade nine, those students are then eligible to serve us through the MJHS Leadership Program during their high school years. Dues are waived at that level as our older students help and guide our younger ones providing valuable service, leadership, and sound role modeling. After students join us, most continue their affiliation with the MJHS until they graduate from high school.

For the first time in the history of the Munster Jr. Historical Society, we will be allowing fourth graders to join our organization this year under a Legacy Membership if they have an older brother or sister who is or has been an active member of MJHS.
